## **Salon Xpo Perth June 23rd-24th 2007**

*A great time was enjoyed by all at the Perth Salon Xpo, held over the weekend of June 23-24 at Perth Convention & Exhibition Centre.*

*Located at Stand 5, right by the entrance/exit, we were fortunate to meet many great salon owners, hairdressers, beauticians and members of the beauty public.*

*Many discussions were held with start up businesses and home/mobile operators, and we were happy to discuss general insurance requirements and more tailored approaches with intending operators.*

*Existing owners amongst the attendees were also keen to discuss insurance requirements, compare their existing covers, and try out the range of SalonCover policies.*

*Registrants were all entered into **prize draws**...champagne, ipods, and holidays were all on offer as our thank you to the Hair & Beauty Industry – winners will be announced and contacted shortly.*

*We look forward to continuing support of the Perth Salon Xpo and with great plans for next year and beyond, we expect it to develop into a must see showpiece event for all in the Hair & Beauty Industry's. In the meantime, we will see you around the country at various Sydney, Melbourne, Brisbane & Adelaide shows.*

*Rgds,  
Saloncover.*
